### **Independent Auditor's Report**

To the Honorable Members of the City Council of the City of Santa Monica, California and the Los Angeles County Metropolitan Transportation Authority

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the Proposition A Local Return Fund (PALRF), Proposition C Local Return Fund (PCLRF), Measure R Local Return Fund (MRLRF), and Transportation Development Act Article 3 Fund (TDAA3F) of the City of Santa Monica, California (City) as of and for the fiscal years ended June 30, 2015 and 2014, and the related notes to the financial statements, as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the PALRF, PCLRF, MRLRF, and TDAA3F of the City of Santa Monica, California, as of June 30, 2015 and 2014, and the respective changes in their financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Emphasis of Matter**

As discussed in Note 2, the financial statements present only the PALRF, PCLRF, MRLRF, and TDAA3F and do not purport to, and do not, present fairly the financial position of the City of Santa Monica, California, as of June 30, 2015 and 2014, and the changes in financial position thereof for the years then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

#### Other Matters

### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Santa Monica, California's PALRF, PCLRF, MRLRF, and TDAA3F Fund financial statements as a whole. The accompanying supplemental information as listed in the table of contents is presented for purposes of additional analysis and is not a required part of the financial statements. The supplemental information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The supplemental information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects, in relation to the financial statements as a whole.

### Other Reporting Required by Governmental Auditing Standards

In accordance with *Government Auditing Standards*, we have issued our report dated December 14, 2015, on our consideration of the City of Santa Monica' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Los Angeles, California

### NOTES TO FINANCIAL STATEMENTS For the Fiscal Years Ended June 30, 2015 and 2014

### NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Fund Accounting

The operations of the Proposition A Local Return Fund (PALRF), Proposition C Local Return Fund (PCLRF), Transportation Development Act Article 3 Fund (TDAA3F) and Measure R Local Return Fund (MRLRF) are accounted for in separate sets of self-balancing accounts that comprise their assets, liabilities, fund balance, revenues, and expenditures.

PALRF and PCLRF represents 25% and 20%, respectively, of the ½ cent Proposition A and ½ cent Proposition C sales taxes which are distributed to the jurisdictions within Los Angeles County based on population and must be used exclusively for transportation related programs and projects.

MRLRF represents 15% of a ½ cent sales tax which is distributed to the jurisdictions within Los Angeles County based on a per capita basis and must be used exclusively for transportation purposes.

Transportation Development Act Article 3 Fund (TDAA3F) is a Special Revenue Fund that accounts for the City's share of the Transportation Development Act Article 3 allocations which are legally restricted for specific purposes.

### Basis of Accounting

PALRF, PCLRF, MRLRF, and TDAA3F are accounted for using the modified accrual basis of accounting whereby revenues are recognized when they become both measurable and available to finance expenditures of the current period and expenditures are generally recognized when the related fund liabilities are incurred.

### Budget and Budgetary Accounting

The budgeted amounts presented in this report for comparison to the actual amounts are presented in accordance with accounting principles generally accepted in the United States of America.

### Unrealized Gain (Loss)

In accordance with GASB Statement No. 31, Accounting and Financial Reporting for Certain Investments and External Investment Pools, local governments are required to use fair value (instead of amortized cost) for financial reporting purposes. As a result of such implementation, the City recognizes the unrealized gain/ (loss).

### NOTES TO FINANCIAL STATEMENTS For the Fiscal Years Ended June 30, 2015 and 2014 (Continued)

### **NOTE 2 – ANNUAL FINANCIAL STATEMENTS**

The financial statements reflect only the financial position and results of operations of PALRF, PCLRF, MRLRF, and TDAA3F and their compliance with the Proposition A and Proposition C Local Return Program Guidelines, Measure R Local Return Program Guidelines, Transportation Development Act Article 3, and the Los Angeles County Metropolitan Transportation Authority Funding and Allocation Guidelines for Transportation Development Act Article 3 Bicycle and Pedestrian Funds.

### NOTE 3 – PROPOSITION A AND PROPOSITION C LOCAL RETURN COMPLIANCE REQUIREMENTS

In accordance with Proposition A and Proposition C Local Return Program Guidelines, funds received pursuant to these guidelines may only be used for Proposition A and Proposition C Local Return approved programs.

### NOTE 4 – MEASURE R LOCAL RETURN COMPLIANCE REQUIREMENTS

In accordance with Measure R Local Return Program Guidelines, funds received pursuant to these guidelines may only be used for Measure R Local Return approved programs.

### NOTE 5 – TRANSPORTATION DEVELOPMENT ACT COMPLIANCE REQUIREMENTS

In accordance with Public Utilities Code Section 99234, funds received pursuant to this Code's section may only be used for activities relating to pedestrians and bicycle facilities.

### NOTE 6 – CASH AND INVESTMENTS

The PALRF, PCLRF, MRLRF, and TDAA3F cash balances were pooled with various other City funds for deposit and investment purposes. The share of each fund in the pooled cash account was separately maintained and interest income was apportioned to the participating funds based on the relationship of their average quarterly balances to the total of the pooled cash and investments.

### NOTE 7 – PROJECT GENERATED REVENUE

Project generated revenue for PALRF for the years ended June 30, 2015 and 2014 amounting to \$20 and \$210, respectively, pertains to the paratransit revenue.

Project generated revenue for PCLRF for the years ended June 30, 2015 and 2014 amounting to \$36,244 and \$34,021, respectively pertains to concessionaire's rent for the city's bike transit centers.

### NOTES TO FINANCIAL STATEMENTS

For the Fiscal Years Ended June 30, 2015 and 2014 (Continued)

### **NOTE 8 – RAIL RESERVE**

On March 13, 1985, Los Angeles Metropolitan Transit Authority (Metro) and the City entered into a Memorandum of Understanding to establish rail reserve fund (Fund) and allocated \$504,916 of PALRF FY 1984/85 for rail development. In subsequent years, the City may annually allocate additional PALRF monies to the rail reserve fund in accordance with the Proposition A Local Return Rail Reserve Guidelines.

Per agreement, all interest is accrued and placed in the Fund for use exclusively for the projects identified under the Rail Reserve Fund.

The Fund shall continue until such time as agreed upon by both parties and under the conditions set forth in the Proposition A Local Return Rail Reserve Guidelines.

For the years ended June 30, 2015 and 2014, the following is the rail reserve account for PALRF:

	_	2015	2014
Beginning balance at July 1,	\$	2,647,826	\$ 2,995,096
Add: interest		19,362	15,848
Expenditures during the year		(365,228)	(363,118)
Ending balance at June 30,	\$	2,301,960	\$ 2,647,826

### **NOTE 9 – CAPITAL RESERVE**

### **PALRF**

On July 1, 2008, Metro and the City entered into an agreement to establish a capital reserve account (Account) for the Bus Stop and Shelter Improvement Project in the initial amount of \$1,500,000. In accordance with the second contract amendment between the City and MTA, the funding of the Account will continue through Proposition A allocations until June 30, 2016. If the project is not completed by June 30, 2016 any unexpended funds shall lapse and be returned to Metro.

Per agreement all interest is accrued and placed in the capital reserve account for use exclusively for the Bus Stop and Shelter Improvement Project.

For the years ended June 30, 2015 and 2014, the following is the capital reserve account for PARLF:

Capital reserve:	_	2015	2014
Beginning balance at July 1,	\$	1,631,168	\$ 1,622,738
Add: interest		11,877	8,430
Less: expenditures during the year		(229,787)	-
Ending balance at June 30,	\$	1,413,258	\$ 1,631,168

### NOTES TO FINANCIAL STATEMENTS For the Fiscal Years Ended June 30, 2015 and 2014 (Continued)

### NOTE 10 – TRANSPORTATION DEVELOPMENT ACT FUND REVENUE ALLOCATION

The revenue allocation for the years ended June 30, 2015 and 2014 consisted of the following payment(s) and/or submitted claim form(s):

	_	2015	 2014
FY 2010/11 reserve	\$	14,557	\$ 14,557
FY 2011/12 reserve	_	12,424	 6,470
Total payment claimed	\$_	26,981	\$ 21,027

The City had an unexpended fund of \$21,027 and recorded as Due to MTA – TDA Article 3 Reserve Account as of June 30, 2014. The City returned \$21,027 to LACMTA on September 16, 2014.

### NOTE 11 – TRANSPORTATION DEVELOPMENT ACT FUND REVENUE RESERVED

In accordance with TDA Article 3 (SB821) Guidelines, funds not spent during the fiscal year have been placed on reserve in the Local Transportation Fund (LTF) account with the County Auditor-Controller to be drawn down whenever the funds become eligible for a specific project and an approved drawdown request is received by Metro. Subsequent to June 30, 2015 and 2014, the City has funds on reserve as follows:

	2015	2014
FY 2011/12 allocation	\$ 32,233	\$ 38,187
FY 2012/13 allocation	65,963	65,963
FY 2013/14 allocation	73,772	73,772
FY 2013/14 allocation (Due to MTA)	-	21,027
FY 2014/15 allocation	 60,081	 
Total reserved amount	\$ 232,049	\$ 198,949

### NOTE 12 – TRANSPORTATION DEVELOPMENT ACT ENCUMBERANCE

The City of Santa Monica encumbered \$27,000 for FY2014 – 15 to be expended in October 2015 for project titled 17<sup>th</sup> Street Pedestrian/Cycletrack Design.

### **NOTE 13 – SUBSEQUENT EVENTS**

The City has evaluated events or transactions that occurred subsequent to June 30, 2015, through December 14, 2015, the date the accompanying financial statements were available to be issued, for potential recognition or disclosure in the financial statements and determined no subsequent matters require disclosure or adjustment to the accompanying financial statements.

# Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Honorable Members of the City Council of the City of Santa Monica, California and the Los Angeles County Metropolitan Transit Authority

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Proposition A Local Return Fund (PALRF), Proposition C Local Return Fund (PCLRF), Measure R Local Return Fund (MRLRF), and Transportation Development Act Article 3 (TDAA3F) Fund of the City of Santa Monica, California (City), as of and for the year ended June 30, 2015, and the related notes to the financial statements, and have issued our report thereon dated December 14, 2015.

### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the City's local return funds and TDAA3F financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify any deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However material weaknesses may exist that have not been identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that is required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### **Independent Auditor's Report On Compliance**

To the Honorable Members of the City Council of the City of Santa Monica, California and the Los Angeles County Metropolitan Transit Authority

### **Report on Compliance**

We have audited the compliance of the City of Santa Monica, California (City) with the Proposition A and Proposition C Local Return Guidelines, Measure R Local Return Guidelines, Transportation Development Act Article 3, and the Los Angeles County Metropolitan Transportation Authority's Funding and Allocation Guidelines for the Transportation Development Act Article 3 Bicycle and Pedestrian Funds (Guidelines) for the year ended June 30, 2015.

### Management's Responsibility

Management is responsible for the City's compliance with those guidelines.

### Auditor's Responsibility

Our responsibility is to express an opinion on the City's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the Guidelines referred to in the preceding paragraph. Those standards and the Guidelines require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a local return program and the transportation development Act Article 3 occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the City's compliance with those requirements.

### Opinion on Each Local Return Program and Transportation Development Act Article 3

In our opinion, the City of Santa Monica complied, in all material respects, with the compliance requirements referred to above that apply to Proposition A Local Return Fund, Proposition C Local Return Fund, Measure R Local Return Fund, and Transportation Development Act Article 3 (TDAA3F) Fund for the year ended June 30, 2015.

### **Report on Internal Control Over Compliance**

Management of the City of Santa Monica, California (City) is responsible for establishing and maintaining effective internal control over compliance with the Requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the Requirements that could have a direct and material effect on the Local Return programs and the TDAA3F to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance and to test and report on internal control over compliance in accordance with the Requirements, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance under the Requirements on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance under the Requirements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with the Requirements that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that we consider to be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.
