### CERTIFIED ACCESS SPECIALIST INSPECTION SERVICES

Compliance with state and federal construction-related accessibility standards ensures that public places are accessible and available to individuals with disabilities. Whether your business is moving into a newly constructed facility or you are planning an alteration to your current facility, by engaging the services of a Certified Access Specialist (CASp) early in this process you will benefit from the advantages of compliance and under the Construction-Related Accessibility Standards Compliance Act (CRASCA, Civil Code 55.51-55.545), also benefit from legal protections.

Although your new facility may have already been permitted and approved by the building department, it is important to obtain CASp inspection services after your move-in because unintended access barriers and violations can be created, for example, placing your furniture and equipment in areas required to be maintained clear of obstructions. For planned alterations, a CASp can provide plan review of your improvement plans and an access compliance evaluation of the public accommodation areas of your facility that may not be part of the alteration.

A CASp is a professional who has been certified by the State of California to have specialized knowledge regarding the applicability of accessibility standards. CASp inspection reports prepared according to CRASCA entitle business and facility owners to specific legal benefits, in the event that a construction-related accessibility claim is filed against them.

To find a CASp, visit [www.apps2.dgs.ca.gov/DSA/casp/casp\\_certified\\_list.aspx](http://www.apps2.dgs.ca.gov/DSA/casp/casp_certified_list.aspx).

### INSURANCE REQUIREMENTS

Licensee shall procure and maintain for the duration of the License insurance against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the work hereunder by the Licensee, its agents, representatives, employees or sublicensees.

#### Minimum Scope and Limits of Insurance

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal and advertising injury, with limits of no less than \$1,000,000 per occurrence.
2. **Automobile Liability:** Insurance Services Office Form CA 00 01 covering code 1 (any auto), or if Licensee has no owned autos, Code 8 (hired) and Code 9 (non-owned), with limits of no less than \$1,000,000 per accident for bodily injury and property damage.

If the Licensee maintains broader coverage or higher limits than the minimums shown above, the City of Santa Monica requires and shall be entitled to any broader coverage and higher limits maintained by the Licensee. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City of Santa Monica.

#### Other Insurance Provisions

1. The insurance policies are to contain, or be endorsed to contain, the following provisions:
  - a. **Additional Insured Status:** The City of Santa Monica, its officers, officials, employees and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of Licensee including materials, parts, or equipment furnished in connection with such work or operations. CGL coverage can be provided in the form of an endorsement to the Contractor’s insurance (at least as broad as Insurance Services Office Form CG 20 10 11 85, or if not available, through the addition of a combination of (1) CG 20 10, CG 20 26, CG 20 33, or CG 20 38 **and** (2) CG 20 37).

  - c. **Notice of Cancellation:** Each insurance policy required herein shall state that coverage shall not be cancelled except after notice has been given to the City of Santa Monica.
  - d. **Waiver of Subrogation:** Licensee hereby grants to the City of Santa Monica a waiver of any right of subrogation which any insurer of said Licensee may acquire against the City of Santa Monica by virtue of payment of any loss. **Self-Insured Retentions**

Self-insured retentions must be declared to and approved by the City of Santa Monica. The City of Santa Monica may require the Licensee to purchase coverage with a lower retention or provide satisfactory proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the name insured or the City of Santa Monica.

**Acceptability of Insurers**

Insurance is to be placed with insurers authorized to conduct business in California with a current A.M. Best rating of no less than A:VII, unless otherwise acceptable to the City of Santa Monica.

**Verification of Coverage**

Licensee shall furnish the City of Santa Monica with original certificates and amendatory endorsements (or copies of the applicable policy language effecting coverage provided by this clause). All certificates and endorsements are to be received and approved by the City of Santa Monica before the license is issued. However, failure to obtain required documents prior to the work beginning shall not waive the Licensee's obligation to provide them. The City of Santa Monica reserves the right to require complete, certified copies of all required insurance policies, including the endorsements required herein, at any time.

**Failure to Maintain Insurance Coverage**

If Licensee, for any reason, fails to maintain insurance coverage which is required pursuant to this Agreement, the same shall be deemed a material breach of the license.
